

December 2012

It is the mission of the Reno Police Department to safeguard the lives and property of those we serve, to reduce the incidence of crime and community problems, and to enhance public safety while working closely with our community to improve the quality of life our citizens and visitors deserve. Our mandate is to achieve this while demonstrating our Vision to be a Model of Policing Excellence and conduct ourselves with Integrity, Respect, Service, and Fairness. This cannot be accomplished alone but only with the support of a strong community and local government.

I look forward to working with all of you in the coming year. I have seen the incredible hard work, sacrifice, and commitment you have demonstrated in recent years and know that 2013 will be another successful year for the Department and the community we protect and serve. Each and every year, we manage to build upon our successes and achieve results that reflect not just on the Department but the community as a whole. As the City continues to develop solutions for the financial issues we face, we have demonstrated our commitment to be fiscally responsible at every level of the organization while trying to re-grow our organization.

Thank you for your commitment and leadership and never forget the safety of our community and your safety serving is a priority.

Take care and be safe,

Steven Pitts  
Chief of Police
